

LINK Mobility Group AS is Europe's leading provider within mobile communications, specializing in mobile messaging services and mobile solutions. We offer a wide range of scalable services and solutions across industries and sectors due to a growing demand for digital convergence between businesses and customers, platforms and users. The Group is headquartered in Oslo/Norway and fully owned by private equity company ABRY located in Boston, US. LINK Mobility continues to experience strong organic growth with a high degree of recurring revenue, as customers tend to move more business activities onto mobile platforms. In 2019, LINK Mobility had a total turnover of 3.1 billion NOK with offices in 18 different countries.

C# Developer in Bergen

We are looking for a talented Developer to join us in Bergen. Our office in Bergen is small and friendly with a highly skilled team that collaborates and works cross functionally with other offices. The team in Bergen is part of LINK's Messaging team together with colleagues in Oslo and Stockholm.

The scope and purpose of the Messaging team is to build the future messaging platform for LINK. Approximately 10 million messages per day are sent through this platform. In addition we are steadily migrating traffic from the smaller platforms within the LINK footprint to our messaging platform. As the traffic volume, number of customers and internal users are increasing the demand for efficient and intelligent tools is growing rapidly, and these tools are being developed by the team in Bergen.

If you appreciate working closely with the users,
if you enjoy learning new things,
if you want to contribute to both the platform and the team,
then we have the right job for you.

We are looking for a senior C# developer for this position, but if you are a junior developer with C# knowledge, we welcome your application too.

Requirements:

- Good knowledge in C#
- 5+ years of experience working as a software developer
- Fluent in Norwegian and English

So, leave your noisy office space behind and join us. We offer an interesting job in an international context and we have made the conditions perfect for you by having flexible work hours, easily found parking and you get to choose between having your own office or sharing it with the other developers.

Apply by sending your resume and application to job@linkmobility.com

For questions about the position, please contact Director of Messaging, Jenny Rudenstål, jenny.rudenstaal@linkmobility.com

Every employee is an important member of the LINK Family. We do not accept any discrimination, whether active or by means of passive support, whether based on ethnicity, national origin, religion, disability, gender, sexual orientation, marital or parental status, union membership, political views, age or any other characteristic that results in compromising the principle of equality. LINK Mobility regards diversity as a lever for profitability.
